Product

As all hook and needlepoint items are handcrafted there may be slight variations in our products. No two pieces are exactly alike, which adds to the uniqueness of each piece. All hook pillows and needlepoint items have a wool face and velvet backing unless otherwise noted. Pillows come with zipper opening and polyester filler unless otherwise noted. All hook rugs are wool face. Many of our printed items are skillfully hand screen printed. Due to the nature of this technique slight variations in color, registration, and design are expected.
