FROM OUR FOUNDER

When I started Faceplant Dreams, my intention was simple: to create moments of softness in a world that rarely slows down. I wanted fabrics that feel like an exhale and pieces people reach for because they want to. That purpose has only deepened over time, shaped by the people who've joined this journey with us.

Our wholesale partners are truly at the heart of our story. Your trust, your discernment, and the way you share our fabrics with your communities have allowed Faceplant to grow in the most meaningful way. When your customers feel that unmistakable softness, when they return to tell you how beautifully they slept, it all begins with your belief in our brand. And that belief is rewarded: timeless colors, elevated natural fabrics, and year-round silhouettes mean consistent sell-through, loyal repeat customers, and pieces that never sit on the sale rack.

To our reps, thank you for sharing the spirit of Faceplant with such genuine care. You are our storytellers, translating texture into emotion and craftsmanship into connection. Your professionalism and intuition help retailers understand not just what we make, but why it belongs on their shelves.

My hope is that Faceplant continues to offer those small moments of "ahh". Quiet reminders of comfort and ease. Thank you for being such an essential part of bringing that feeling to the people you serve.

With gratitude,

COMPANY CONSCIENCE

Faceplant Dreams is a woman-owned business founded in 2008. Our luxury Bamboo products are designed in Ybor City, FL and produced in China. Faceplant meets or exceeds all standards of Oeko-Tex® 100 certification, assuring you that your beautiful loungewear is free of any harmful substances or chemical traces. We personally visit our production partners and require that they too are conscientious members of their communities.

GIVING BACK

We are actively committed to our local community and commit 3%+ of our profits to support disadvantaged students through Academy Prep of Tampa. In our neighborhood, the average high school graduation rate is 50%. Academy Prep boasts a 98% graduation rate and 100% of their 2022 alumni are currently attending college or serving in the military.

WHOLESALE ORDERS 101

We encourage retailers to work with your local rep when possible, but we're always happy to hear from you and can be reached at Info@FaceplantDreams.com or 813-443-4888. Retailers without a local rep are invited to order directly at [www.FaceplantWholesale.com](http://FaceplantWholesale.com).

WHOLESALE MINIMUMS

\$500 opening order \$200 reorders 2 per SKU (does not apply to prepacks or displays) Volume pricing available on many SKU's (3%-11%)

MAP PRICING

Minimum advertised price (MAP) is 2x wholesale. We require all retailers to honor our MAP policy, this includes online. Sales and promotional pricing are allowed but must include an end date not to exceed 14 days. Abuse of promotional pricing will be considered a violation of MAP policy and we will stop shipping to the offending retailer.

PROFIT PARTNERS

We don't print MSRP pricing on our tags allowing retailers to define pricing based on your local market potential. Markup on our retail website is 2.1x or higher based on volume wholesale. Sheet sets have a 2.6x markup and socks are marked up 3xt. We build room in the pricing for our retail partners to profit without competition from us.

TERRITORY RESPECT

Faceplant Dreams is respectful of territory and limits sales to competitive neighboring stores for retailers who are strongly committed to the brand. Commitment is demonstrated by purchasing a minimum of \$25,000 annually, consistent orders, committed retail space, and strong display and promotion of the brand.

SHIPPING

Wholesale orders typically ship 2 business days after receipt from our warehouse in Ybor City, FL. This schedule may vary slightly during high volume seasons.

COMMISSIONS FOR CREDIT/TERM CUSTOMERS

Commissions will be paid only after Faceplant is paid on the invoice. Faceplant will copy the rep on overdue invoices and request your assistance with collections if and when this occurs. Commissions will not be paid on any invoices more than 60 days overdue or those turned over to collections.

FACEPLANT DIRECT ORDER POLICY

Any account that is being regularly serviced by their rep will be commissioned to the rep. If it's determined that a store is not being serviced, we reserve the right to temporarily credit "House" for the commissions until the rep takes action to rectify the situation.

FACEPLANT WEBSITE SALES

We've invested heavily in robust wholesale and retail websites. Active stores from reped areas will continue to be encouraged to visit their rep/rep group website to purchase Faceplant, and rep group links are featured in every email we send. (Up to 3 emails per week to wholesale accounts/reps.) If an active reped store places an order on our site, commissions will be paid as normal. Inactive or new accounts who place their first order on our website will be treated as an out-of-territory show order. The rep will not receive commission on that order but will be copied with all details and encouraged to solicit future orders and build the relationship.

CREDIT CARDS DETAILS

We work hard to communicate promptly when cards won't go through. Your customer's order naturally falls to the bottom of the stack when it requires repeated requests to secure accurate card details. Please ensure expedient shipping by submitting accurate details with the order.

- Name on the card
- * Full Bill address for the card (may differ from store address)
- Customer Email address and phone number

If the card fails, we email the customer and the rep to request updated card details. As the rep, please recognize this email as our request for your assistance in securing the information to process the order.

PERSONAL ORDERS OR REPS

We're honored when you love Faceplant enough to order it for yourself.

Please just email Mary Alice at info@faceplantdreams.com with what you need and she'll take 20% off wholesale prices for you.

DIGITAL ASSETS

Videos, stills, graphics, logos. We have everything you need to support and promote your online sales platform with Faceplant. Visit [Faceplantwholesale.com/Digital Assets](http://Faceplantwholesale.com/Digital%20Assets).

SELLING ONLINE

Faceplant is a boutique brand and is committed to our traditional brick and mortar retailers, but we cannot ignore the online marketplace. If you are an approved Faceplant brick and mortar retailer, we encourage you to use your store website to your competitive advantage and require that you respect our basic MAP policy, which is wholesale x 2. If you are strictly an e-commerce wizard with exceptional customer service and respect for MAP pricing and brand identity, let's talk. Please email Kevin@FaceplantDreams.com to discuss how a partnership will benefit all of us.

ORDER DISCREPANCIES AND RETURNS

Please review all shipments upon receipt. Shipping discrepancies or shortages must be addressed within 7 days of delivery so we can review packing cameras and box weights. We will resolve any concerns promptly. Wholesale returns/ exchanges will be considered for up to 30 days, must be undamaged and in original packaging with all tags attached and may incur restocking fees. We require an email photo and description of any damaged goods to info@faceplantdreams.com to issue a Return Authorization (RA) or credit. Any return or exchange without an RA will not be processed, credited or refunded.

PAYMENT

We accept all credit cards and payment by direct deposit or ACH. That doesn't work? We'll email you a copy of the total sales order and ship the day after your check arrives or your credit card payment clears. Hospital Gift Shops, Hotels, Casinos or multi-point stores with a consolidated Accounts Payable Department may be considered for limited terms with a completed credit application.

APPLICATION FOR CREDIT/ TERMS

Credit (terms) may be offered to major accounts with multipoint stores and a consolidated administrative office. We have partnered with Blue Sky Capital to provide credit/loans on a limited basis for our customers. Our finance partner has strict guidelines regarding how we extend credit. They require our "Credit Application and Agreement for a Business Account" form is completed in its entirety. Please note: Must include company banking information and account number.
