**Product**

As all hook items are handcrafted there may be slight variations in our products. No two pieces are exactly alike, which adds to the uniqueness of each piece. All hook pillows have a wool face and velvet backing unless otherwise noted. Pillows come with zipper opening and polyester filler unless otherwise noted. All hook rugs are wool face. Many of our printed items are skillfully hand screen printed. Due to the nature of this technique slight variations in color, registration, and design are expected.

**Custom Program**

We are able to customize a current design or develop a brand new design for your store! Please contact us or your local sales rep for more details.
